

# SHANTI GOPAL HOSPITAL

.....A unit of Mansarovar Medical Centre Pvt. Ltd.

## TO WHOM SO EVER IT MAY CONCERN

We have been using the Hospital Information System implemented by **M/S Next Gen e Solutions (P.) Limited**, New Delhi for over last 2 years. The software is running smoothly since the date of its inception. The software suits all over requirements and it is suitable for healthcare segment.

Our Staff found the software very easy to understand & user friendly. We are especially pleased with the after sales support & quick response from their team.

All the modification/ customization requested by us time to time have been done by them and their timely and prompt response has helped us a lot in running the hospital smoothly.

We find Hospilogix of Next Gen user friendly, informative and useful product for health care industry.
